Glo-Crest Dairy

"Where great cow families are made"

*Glo-Crest Dairy, LLC was founded in 2000.

We dairied on a rented farm in White County until 2014. Then, we built a new farm on 100

acres in Hall County about 2 miles from MFC with an emphasis on Agritourism.

We rent an additional 100 acres to grow feed.

*Milk around 170 cows twice a day at 9:00 AM/9:00 PM

*About 70% of our herd is registered with the Holstein Association of America

Mountain Fresh Creamery Milk

“Milk so fresh the cow doesn’t even know it’s gone!”

At Mountain Fresh Creamery, our all-natural, non-homogenized dairy products come straight from our farm to your family. Not only do we bottle cream, whole milk, chocolate milk, low-fat milk and buttermilk – we also make our own butter and premium ice cream too! Containing no added hormones or antibiotics, you can rest assured that each of our products is minimally processed to taste the way that nature intended. Nothing is added or taken away; it is 100% of what our cows have to give you!

In the end.....Ice Cream pays the bills!
