

Permit Updates and Annual Report Training

Earn 2 hours of recertification credit!!

Wednesday, March 11, 1:00-3:00 – Guilford County
Ag Center, 3309 Burlington Rd, Greensboro

Tuesday, March 24, 1:00-3:00 – Davidson County
Extension Center, 301 E Center St, Lexington

This training will provide operators with new permit requirements and instructions on how to fill out and submit the new required annual reporting document. New permit topics will include:

- *rainbreaker certification forms
- *records retention changes
- *groundwater monitoring requirements
- *weekly stocking form requirement
- *Phosphorus Loss Assessment Tool requirements.

Annual report instruction will include a line-by-line review of the form and how to compile the information from 2019 records.
